

## Australian Unity Investments Strategic Fixed Interest Trust

ARSN 116 735 703

Announcement – 21 December 2012

### New investment manager

This Announcement follows the recent Announcements regarding the resignation of a number of senior investment professionals from Vianova Asset Management which will take effect between March and June 2013.

As Responsible Entity, we have reviewed the position of the Trust and considered the most appropriate course of action.

To ensure the Trust continues to be managed in the best interests of investors, we have determined to replace Vianova Asset Management with Altius Asset Management (Altius), to manage the portfolio. This change of investment manager will take effect on 21 January 2013.

In making this decision we have considered a number of factors including: investment manager capacity, the skills and experience of the investment team, as well as the team's ability to meet the objectives of the Trust into the future.

Importantly, Altius will manage the Trust in line with its existing investment objectives and strategy - this will not change. Altius is a joint venture partner with Australian Unity Investments.

Additional information about Altius can be found on its website [www.altiusam.com.au](http://www.altiusam.com.au).
