or

3. **Request a one-off withdrawal** up to your full account balance (see One-off Withdrawal Offer) where you receive a minimum of \$2,000;

If you wish to either make a one-off withdrawal request or request to set up a regular monthly withdrawal, please read the following information carefully.

## Withdrawal Details

Under the withdrawal offer investors have the opportunity to either set up regular monthly withdrawals or make a single withdrawal request.

The Fund will make available 3.0% of Net Asset Value for withdrawal by investors each month. This is equivalent to \$298,507 as at 18 April 2011.

### ■ Regular Monthly Withdrawal Facility for the period 23 April 2011 to 22 April 2012

Investors can request to set up regular monthly withdrawals for the 12 month period beginning 23 April 2011 for the Fund as long as we receive that request by 3.00pm (Melbourne time) on the Closing Date\* for the Fund. Withdrawals will be automatically processed on a monthly basis without the need for further withdrawal requests. This offer expires 22 April 2012. Withdrawal requests received for this offer will expire at the end of the offer period.

Investors may request:

- Up to 3.0% of the units they hold at the Fund's Closing Date\* each month; or
- \$2,000 each month (or full balance if it falls below \$2,000).

Should you wish to cancel your Regular Monthly Withdrawal Facility you may do so at any time. Cancellations received prior to the Closing Date will apply to the offer period in which they are received

## ■ One-off Withdrawal Offer

Investors can request a one-off withdrawal in any given month as long as we receive that request by 3.00pm (Melbourne time) on the Closing Date\* for the Fund.

Investors may request:

- an amount up to their full balance; or
- \$2,000 (or full balance if it is less than \$2,000).

Should the amounts requested exceed the total amount available for withdrawals, requests will be met using the formula below that is fair and equitable to all investors and is a pro-rata allocation.

$$\text{Amount of money available} \times \frac{\text{Amount member requested to withdraw}}{\text{Total of all amounts members request to withdraw}}$$

Should you wish to maximise your withdrawal in any given month, you should select the One-off Withdrawal Offer.

Investors should note that on any given month only one option may be chosen, that is either the One-Off withdrawal or the Regular withdrawal.

The Closing Date for withdrawal requests each month is:

Fund	Closing Date*
Discovery Investment Services Core Income Fund	22 <sup>nd</sup> of each month

\*The next Melbourne business day will be considered the Closing Date for the Fund if the actual Closing Date falls on a non-business day.

## Important Information

The amounts made available to meet all withdrawal requests will be funded through cash and other liquid investments which the Fund holds.

If you wish to make a withdrawal request then:

- Your request will only be processed if we receive a completed withdrawal request form, or a written request containing the necessary information as per the form attached;
- If we receive a completed withdrawal request form after the applicable Closing Date for the Fund, it will be included in the following month's requests and payments;
- You should note that the expiry date of the Regular Monthly Withdrawal Facility is 22 April 2012 for the Fund. Withdrawal requests for this offer will expire on this date. We are not bound to accept requests for the Regular Monthly Withdrawal Facility received after this date.
- Only submit a request for either the Regular Monthly Withdrawal Facility or for the One-off Withdrawal Offer, not for both;

- Only your most recent withdrawal request will be used and any previous requests will be invalidated;
- If, subject to all other conditions being met, processing your request results in a holding less than the minimum balance of \$2,000, we may treat the request as a full withdrawal;
- The amounts will only be paid via direct credit to your nominated bank account within 21 days of the Closing Date.
- Cheque payments and third party deposits are not available;
- Where you have specified a withdrawal amount in dollars instead of in number of units, we will determine the value of the units you have requested to withdraw by dividing the amount in dollars by the unit price and rounding down to four decimal places
- Given the changed withdrawal procedures which currently apply to the Fund, we do not intend to apply the withdrawal fee to withdrawals made in response to this Withdrawal Offer;
- Where one Fund invests into another fund managed by us, we intend to request a withdrawal amount from that other fund sufficient to satisfy withdrawal requests received by the first Fund;
- You should obtain professional advice concerning the taxation consequences of withdrawing your investment before you make a decision. As an example of the tax consequences, a disposal, for tax purposes, will arise when you withdraw any part of your investment in the Fund. If the value of your investment has increased, a withdrawal from the Fund may give rise to a tax liability.
