

Withdrawal offer update

Howard Mortgage Plus Trust

This document contains useful information about the withdrawal offer for the Howard Mortgage Plus Trust and the Howard Professional Mortgage Plus Trust (together 'the Fund')¹ and any action you may need to take. To participate in the withdrawal offer, your completed withdrawal form must be received by us by 3.00pm (Sydney time) on Friday 29 June 2012. It's important to note that if you do not wish to make a withdrawal from your investment in the Fund, you do not need to take any further action.

We are opening our next withdrawal offer to investors in the Fund from Friday 27 April 2012 until 3.00pm (Sydney time) on Friday 29 June 2012.

If you would like to request a withdrawal, please read the following information, complete the enclosed withdrawal offer request form and return the form to us as indicated below. We must receive your withdrawal request before **3.00pm (Sydney time) on Friday 29 June 2012** if you wish to participate in the withdrawal offer.

Withdrawal offer opening and closing dates

The offer will open on Friday 27 April 2012 and will close on Friday 29 June 2012 (at 3.00pm Sydney time). Withdrawal requests which are incomplete or received after 3.00pm (Sydney time) on Friday 29 June 2012 will not be accepted. We reserve the right to cancel the withdrawal offer, close the offer early or extend the period of the offer.

How the offer will work

The Fund has made available at least 75% of its net assets as set out in the following table, for investors seeking to withdraw. These amounts are estimates only and have been calculated on a proportional basis to reflect the total value of each unit class of the Fund. The amount available may increase depending on the actual amount able to be withdrawn from the Howard Mortgage Fund (ARSN 090 464 074) (in which the Fund invests).

Fund	Amount available*
Howard Mortgage Plus Trust	\$4.88 million
Howard Professional Mortgage Plus Trust	\$3.62 million

*Estimated minimum withdrawal amount. In addition to the Fund's cash holding, the Fund will withdraw units in the Howard Mortgage Fund's Ongoing Withdrawal Facility ending 29 June 2012 to obtain the amount available for the Fund's withdrawal offer.

If the withdrawal offer is oversubscribed

The amount of withdrawal requests from investors may exceed the withdrawal offer amounts available, and therefore the offer may be oversubscribed. In this event, we will reduce the requested withdrawal amounts on a pro-rata basis, consistent with the requirements of the Corporations Act 2001.

The amount paid to investors in each unit class would be calculated as follows:

$$\text{Money available for the relevant unit class} \times \frac{\text{Amount requested by unitholder}}{\text{Total of all monies requested}}$$

Example using the Howard Mortgage Plus Trust

- The Trust makes a withdrawal offer of \$4.88 million
- An investor requests a withdrawal of \$30,000
- The total of all withdrawal requests is \$5.00 million
- The investor would receive:

$$\begin{array}{r} \$4.88 \text{ million} \quad \times \quad \frac{\$30,000}{\$5.00 \text{ million}} = \$29,280 \end{array}$$

Note: The example above is purely illustrative and not indicative of, and is not a forecast or guarantee of, the amount of any future withdrawal offer or the amount received on acceptance of any withdrawal offer. The actual amount an investor will receive from any withdrawal offer made will depend on the amount made available by us, the total amount sought to be withdrawn by all investors in the Fund, and withdrawal requests received by the Howard Mortgage Fund. The withdrawal will be calculated effective 2 July 2012.
