

# Withdrawal offer update – Challenger hybrid property funds

To participate in the withdrawal offer, your completed withdrawal form must be received by Challenger by 3.00pm (Sydney time) on Friday 20 May 2011. This document contains useful information about the withdrawal offer for the Challenger hybrid property funds and any action you may need to take. It's important to note that if you do not wish to make a withdrawal from your investment in the Fund, you do not need to take any further action.

## Overview

Since August 2008, when the withdrawal procedure of the Funds was amended, we have actively managed the underlying assets of the Funds to preserve unitholder value given the evidence of market dislocation in the direct property market.

The direct property market has stabilised and we are pleased to confirm that the underlying fund that the Funds invest in recently sold 330 Collins Street, Melbourne for a total price of \$107 million (\$1 million of this amount is contingent upon a 3.5 star NABERS energy rating (excluding Green Power) for the building being achieved by 31 July 2012).

As a consequence of this sale and a distribution of cash from the underlying fund, the Funds are now in a position to make available the withdrawal offers detailed below relating to each Fund.

If any of the withdrawal offers are undersubscribed any residual cash will be invested in Australian property securities, consistent with the Fund's investment objective and strategy. The Funds will continue to opportunistically invest in direct property assets where Challenger believes that it is in the best interest of unitholders to do so.

Please refer to the opposite column for details on what happens when the withdrawal offer is oversubscribed.

## Challenger hybrid property funds withdrawal offers

The amount of money that is expected to be available from each Fund is outlined below:

Fund	Amount available
Challenger Hybrid Property Fund	\$22 million
Challenger Wholesale Hybrid Property Fund	\$113 million

## Withdrawal offers opening and closing dates

The offers will open on Friday 1 April 2011 and will close on Friday 20 May 2011 (at 3.00pm, Sydney time).

Withdrawal requests which are incomplete or received after 3.00pm (Sydney time) on the closing date will not be accepted. We reserve the right to cancel the withdrawal offers, close the offers early or extend the period of the offers.

## If the withdrawal offer is oversubscribed

The amount of withdrawal requests from investors may exceed the withdrawal offer amounts outlined above, and therefore the offers may be oversubscribed. In this event, we will reduce the requested withdrawal amounts on a pro rata basis, consistent with the requirements of the Corporations Act 2001.

The amount paid to investors in each Fund would be calculated as follows:

$$\text{Money available for the relevant fund} \times \frac{\text{Amount requested by unitholder}}{\text{Total of all monies requested}}$$

Example using the Challenger Wholesale Hybrid Property Fund

- The Fund makes a withdrawal offer of \$113 million
- An investor requests a withdrawal of \$30,000
- The total of all withdrawal requests is \$125 million
- The investor would receive:

$$\$113 \text{ million} \times \frac{\$30,000}{\$125 \text{ million}} = \$27,120$$

**Note:** The above example is purely illustrative and not indicative of, and is not a forecast or guarantee of, the amount of any future withdrawal offer or the amount received on acceptance of any withdrawal offer. The actual amount an investor will receive from any withdrawal offer made will depend on the amount made available by us and the total amount sought to be withdrawn by all investors. The withdrawal will be calculated effective 20 May 2011.
