Additional contributions

With PremiumChoice, it's easy to invest simply and conveniently. Choose from one of these five easy options to make additional contributions.

Payment Options

1. BPAY®

To make additional payments via BPAY®, the BPAY® Biller Code for the account needs to be entered. These codes are:

Account	Biller code
PremiumChoice Investment Service Series 2 and PremiumChoice Investment Service	514158
PremiumChoice Retirement Service Series 2 and PremiumChoice Retirement Service	514158

When making any BPAY® contributions you need to include the **Customer Reference Number**. This is the **Contribution code plus your PremiumChoice BPAY® Reference Number**.

The **Contribution code** is dependent on the contribution type as follows:

Superannuation

Contribution type	Contribution code
PremiumChoice Retirement Service Series 2 and PremiumChoice Retirement Service	
Employer: Superannuation Guarantee Salary Sacrifice Employer Additional	11
Personal	13
Spouse	15

Investment

- on your account statement, or
- by logging onto investinfo.com.au/premiumchoice and view personal information, or
- calling PremiumChoice Client Services on **1300 880 054**.

For example, if you are making a personal contribution into your PremiumChoice Superannuation account and your PremiumChoice BPAY® Reference Number is 1111100001, then the Customer Reference number would be entered as 131111100001.
